

APPENDIX 16

UNIVERSAL BASIC EDUCATION COMMISSION DEPARTMENT OF SPECIAL PROGRAMMES

INSTRUMENT FOR THE VERIFICATION OF THE UTILIZATION OF ASSISTIVE TECHNOLOGIES IN BENEFITED BASIC EDUCATION INSTITUTIONS IN NIGERIA

SUBEB LEVEL

This instrument is designed to elicit data on the Quantity of Assistive Technologies Supplied with 202... FGN-UBE Special Education Intervention Fund and List of Distribution to the Benefiting Public and Private Schools in your State

SECTION A: Basic School Information

1. State: _____

2a. Number of LGEAs: _____

2b. Number of Special Needs Schools/Centre in the State:

(i) ECCDE only (ii) ECCDE and Primary (iii) Primary only

(iv) Primary and JSS (v) JSS only (vi) JSS and SSS

3. Intervention Year (*Special Education Intervention*): (i) 2020 (ii) 2021 (iii) 2022

4. Full address of SUBEB (*Please state the specific address not P. O. Box*): _____

5. School Enrolment: (Please Fill Appropriately)

Table 1: State Enrolment for Special Needs in ECCDE, Primary and JS School/Special Needs Centre

Gender	ECCDE					PRIMARY SCHOOL							JSS			
	Playgroup	NURS 1	NURS 2	NURS 3	Total	PRY 1	PRY 2	PRY 3	PRY 4	PRY 5	PRY 6	Total	JSS 1	JSS 2	JSS 3	Total
MALE																
FEMALE																
TOTAL																

SECTION B: Number of Assistive Technologies, Specification Supplied and School Distribution

6. a. Did your Board receive Assistive Technologies procured and by UBEC using the 202... FGN-UBE Intervention fund?

Yes ☐ No ☐ (Please tick (✓) appropriately)

b. Have the Assistive Technologies been distributed to the school(s)? (Please tick (✓) appropriately)

Yes ☐ No ☐

c. If 6a is Yes, please indicate the Number, Specification and types and quantity of materials received by the Board in **Table 2** below.

Table 2: Number of Assistive Technologies Received

S	NAME OF ITEM	SPECIFICATIONS TO BE SUPPLIED	NUMBER SUPPLIED			Was the Right Specification Supplied? (Please tick (✓) appropriately)		What is the Quality of Assistive Technology Supplied			
			PUBLIC	PRIVATE	TOTAL						
A	HEARING IMPAIRMENT (HI)	BTE Model (Breuer)				YES	NO	POOR	FAIR	GOOD	VERY GOOD
1	Behind the Ear										
2	Probe	Aluminum Type Bearer									
3	Sign Language	Full-size manual numeral									

	Calendar										
4	Sign Language Manual	Full-size Alphabets									
5	Sign Language Book	Joy of signing (A4 size)									
B. VISUAL IMPAIRMENT (VI)											
1	Slate and Stylus	Wooden Large size									
2	Braille paper	A4 Size									
3	Abacus	Rubber type Foreign Wooden type local									
4	Mobility Cane	(MC-Jefferson Type)									
5	Typewriter	Olympia Portable typewriter									
6	Talking Calculator	Medium Scientific									
7	Print Magnifier	Large Concave									
8	Talking clock	Big size for JSS and small size for primary									
9	Digital recorder	Digital radio /analog radio									
1	Perkins brailier	Normal size Perkins									
	Cubarithm	Set for visually impaired									
C. LEARNING DISABILITIES (LD)											
1	Puzzles	Pack (introducing basic spellings) letters, numbers and animal types									
2	Jigsaw	Pack, building block (made in china)									
3	Bricks	ricks (Made in china)									
4	Alphabets and numbers	Pack (Magnetic Numbers and letters)									
5	Dominos indoor games	Deck Building Packs Dominos (Made in china)									
6	Pyramid shapes	Different coloured packs									
7	Quantum analyzer	Digital Resonance Image Analyzer									
8	Common calculator	Canon type									
D. CEREBRAL PALSY											

1	Adapted laptops	Hp 15intel- core(5-11 th gen 12gb RAM) TB HDD touch screen backlit key Adapted with jaws									
2	Exercise Swiss Ball	Hand Swiss ball (Cade in china)									
3	Massager	Dolphin electrical (Made in China)									
4	Wheel chair /Tricycle	MC Jefferson Type (Made in China)									
5	Pyramid shapes	Collapsible round coloured shapes									
E. PHYSICAL IMPAIRMENT											
1	Crutches	Single pair (MC Jefferson made)									
2	Exercise Swiss balls	Hand Swiss ball									
3	Hand grip exerciser	Exerciser (made in china)									
4	Infrared	Electrical									
5	Walking frame	Manual type									
6	Dumbbells	Medium (75cm) made in china									
7	Dolphin hand massager	Dolphin Electrical									
F. AUTISM SPECTRUM (ASD)											
	DVD Video	Recorded cassettes									
2	Sensory toys	Rubber (medium size)									

Note: Kindly attach each year distribution in Public and Private Schools using the format **below** and (Please Tick (✓) **School Type** appropriately)

Table 3: SUUBEB Distribution List 202...

S/N	NAME OF SCHOOL	School Type		ENROLEMENT	
		PUBLIC	PRIVATE	MALE	FEMALE
1					

6d. If the response to item 6b is **NO**, please indicate what happened and why your Board has not reported to the UBEC: _____

6e. If the response to item 6a is NO, why have they not been distributed? Tick (✓) as **applicable**

- i. Materials have not been fully supplied ☐
- ii. Fund not available for distribution ☐
- iii. Schools are on mid-term break ☐
- iv. Schools have closed for the term ☐
- v. Materials are not enough to go around the LGEAs/schools ☐
- vi. Other reasons not listed (*specify*):

7a. Did your Board customize the Assistive Technologies before distribution to the public and private schools? Yes ☐ No ☐

7b. If any of the items in **table 2** above were NOT customized, what were your observations?

- i.

- ii.

8. Did you encounter any problems when receiving the Assistive Technologies from the suppliers? Yes ☐ No ☐

9. If **Yes** to item 8 above, what problem did you encounter in receiving the Equipment? (*Please tick (✓) as applicable*)

- i. Suppliers delivered the materials in batches making it difficult to distribute ☐
- ii. Suppliers delivered the materials late ☐
- iii. The number of Items delivered did not correspond with the ones expected ☐
- iv. Items delivered were of poor quality ☐
- v. Some of the items were damaged on delivery ☐
- vi. Other reasons (*specify*):

10. How did you solve the problem?

- a. Advised suppliers to hasten supplies ☐
- b. Rejected items sighted to be bad ☐
- c. Advised suppliers to replace items of poor quality or damaged items ☐
- d. Other, (*specify*):

11. What suggestion(s) would you like to give on how to improve this initiative by the Federal Government/UBEC on the Assistive Technologies?

- a. The Assistive Technologies should be supplied based on the state's needs ☐
- b. The Assistive Technologies should be supplied regularly and sufficiently. ☐
- c. UBEC should adopt the immediate monitoring of the list of Assistive Technologies supplied to ameliorate the poor level of supplies. ☐
- d. UBEC should ensure that supplied equipment are confirmed by number and specifications are confirmed by SUBEB and DSP before suppliers are paid ☐
- e. SUBEBs should ensure that adequate storage facilities are provided for the equipment ☐
- f. Suppliers should deliver the equipment to end users (schools) ☐
- g. Other (*specify*):
