2.	<i>ISASHA INVESTMENT NIGERIA LTD</i>	KADUNA	4,033,307,453.30	3,981,849,633.56	According to the “Similar/Record of Experience” section on pages 243-244 of your submitted profile, the highest value of construction work previously handled by Isasha Investments Limited. was NGN230,997,998.23, which is significantly below the threshold for the target job, thereby increasing potential implementation risk for the project. Additionally, the 29% discount offered by your firm on a civil project of this scale and importance raised concerns among the review committee about the efficiency of implementation. It is assumed that Isasha Investments Limited. considered current market conditions when preparing its quotation. Therefore, the substantial discount indicated potential implementation risks to the project. The discount range provided by the remaining competitors in your lot was between 1 to 2%.
